

Certificate of RoHS 3 / REACH Compliance

Surtek, the manufacture of PCB Assemblies, hereby declare that all materials, processes, components and/or assemblies shipped under stated purchase order confirm to specifications indicated on the customer purchase order and associated documents. We work closely with our suppliers to ensure that the materials and components comply with the appropriate RoHS 3 & REACH directives regarding usage of hazardous substances in Electrical and Electronic Components, Equipment's & Assemblies.

RoHS3: Based on information obtained from our suppliers, this document certifies that all materials, components and manufacturing processes used comply to the Directive (EU) 2015/863 amendment of the RoHS (EU) Directive 2011/65/EU for restriction of Hazardous Substances (RoHS3) (10 Substances).

REACH: Based on information obtained from our component suppliers, this document also certifies that NO Surtek products contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA 20/06/2013 and previous updates.

Sincerely,
Surtek Industries Inc.
