

Superior Service Quality Since 1988

ASSEMBLERS OF CIRCUIT BOARDS CABLES AND ELECTRICAL CONTROL PANELS

Form # 5.2-1 Iss # 2

# Quality Policy Statement

## Our Vision

Surttek's primary goal is to remain the leading manufacturer of printed circuit board assemblies, electrical control panels, and accessories that fully comply with all contractual provisions and government regulatory specification requirements. This goal will be accomplished through innovative technology, employee involvement and superior customer responsiveness and by achieving the quality objectives as set in the documented "statement of quality objectives".

## Our Mission

- To provide consumers with quality products that offer consistent performance at affordable prices.
- To continuously improve Quality by conducting periodic assessments in our facility and with our suppliers. Actions will be implemented based on constructive feedback from Employees and Customers.
- To apply the Organizational / Customer knowledge to enhance our processes and services.
- To provide a professional, safe, and informed work environment for our employees
- To continually improve the effectiveness of our quality management system using quality objectives and compliance with the requirements of the ISO Standard
- To ensure that all personnel are aware of their individual role & responsibilities within the Quality System
